EDUCATION

DR.MCET
2023-2027

- Bachelor of Computer science and Engineering
- GPA: 9.25 / 10.0

SKILLS

- Project Management
- Public Relations
- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

LANGUAGES

- English: Professional
- Tamil: Native
- Hindi: Basics
- Telugu: Intermediate

PROFILE SUMMARY

As a motivated and detail-oriented Computer Science Engineering student, I possess a strong foundation in programming languages (Java, Python, C) and databases (MySQL). With learning on cloud computing (AWS, Google Cloud), I have successfully developed projects in web applications and data analysis. I excel in problem-solving, teamwork, and effective communication. Seeking opportunities in software development, cloud computing. I am eager to apply my skills and knowledge to drive innovation and growth.

PROJECTS

- Have developed websites using html and css
- Have developed dashboard using Excel based on the data of road accident

CERTIFICATIONS AND ACHIEVEMENTS

- Completed Programming in C course offered by IIT MADRAS with ELITE certification.
- Have gained **B2** grade in LINGUASKILL Exam offered by Cambridge University.
- Completed fundamentals of web development html and css.
- Earned certification in Linux and SQL offered by Google Gained badges solving HackerRank problems
- Completed the fundamentals of cloud computing from Microsoft.
- Won third price in Paper presentation for the topic Data Mining
- Have solved 100+ problems in leetcode
- Completed AWS cloud practitioner essentials

ACTIVITIES

- Have coordinated my team in several events.
- Have been member of Science Maths Technology club in the year 2023-24
